Claims 4, 13-16, and 21-23 are pending in the present application. By this response, claims 8 and 17-19 were cancelled, and claims 4 and 13 were amended as requested by the examiner in the telephone conversation on February 2, 2006. Reconsideration and allowance of the claims is respectfully requested.

**I. Telephone Interview**

In the telephone conversation of February 2, 2006, the Examiner indicated that this application would be allowable if the following three conditions were met:

- Claim 8, to an information terminal support server, was cancelled;

- A terminal disclaimer is filed over the applications having serial numbers 09/578,107 and 10/615,164, both of which share a common filing date and a common specification with the current application.

The requested amendments have been made above and the requested terminal disclaimer is enclosed.

**II. Conclusion**

It is respectfully urged that the subject application is now in condition for allowance.

The examiner is invited to call the undersigned at the below-listed telephone number if in the opinion of the examiner such a telephone conference would expedite or aid the prosecution and examination of this application.
